VOL. XVII, NO. 9

VALEDICTORIAN ?

Five members of the Sophomore class have been named as candidates for valedictorian of the graduating class of 1952. They are Donald Cone, Charlotte McGalliard, Mel Peacock, Jean Whittington, and Mary Frances Womble.

The candidates selected earned this honor by having the highest scholastic averages among the prospective graduates. Elections were held yesterday so that the sophomores might elect the student they thought most representative and deserving of the honor.

Donald Cone, besides being a budding chemist, a G. I. student, and an outstanding member of the tumbling team, is also associate editor of the Inkwell.

Charlotte McGalliard who also has scientific interests, is very active in girls' intramurals, a member of the Inkwell and 'Geechee staffs, and secretary of the Student Senate.

Mel Peacock, also a G. I. student, is chiefly interested in music, and, at the last conversation planned to continue his college work in the field of education.

Jean Whittington, secretary of the sophomore class, business manager of the 1952 'Geechee, member of Delta Chi and the Masquers, plans to continue her work at Mississippi Southern in the field of education.

Mary Frances Womble, a member of the Co-Eds and the Glee Club and now attending evening college here has consistently been outstanding scholastically. She contemplates continuing her college work while her fiancé is overseas.

MARY NORMAN EDITS PAPER AT OGLETHORPE UNIVERSITY

Mary Norman who was editor of the Inkwell last spring quarter has just been named editor of the Stormy Petrel at Oglethorpe University.

In her junior year at Oglethorpe, Miss Norman was a member of the News staff of the Petrel during the fall quarter; then served as News Editor in the winter quarter, before being named editor.

AS THIS PAPER WENT TO PRESS

the editor Earl Waller stopped smoking his stogie long enough to pronounce: "This a pretty good Inkwell from what I 'read and gathered."

TUMBLING TEAM EXPANDS

The tumbling team has gained quite a few members since its organization at the beginning of the last quarter. In addition to the old members: Sarah Wade, Martha Boyd, Mary Lou Byerly, Corbett Coleman, and Donald Cone, the team now has as members, Barbara Lawing, Wayne Lawing, John and Robert Carter, Bill Lewis, Brevard Law, Mr. Allgood, and Dorothy Dukes.

The team plans very soon to give exhibitions at Savannah High and Commercial High School.

Anyone interested in joining can see Miss Morris, or come to the dance studio at 3:30 on Mondays, or at 5:00 on Fridays.

MEET JOSIE NELSON! by Jean Bolen

Who is the efficient little lady in the Business Office whom we go to see at the beginning of every quarter? None other than Mrs. Josie Nelson. (This is certainly no reflection upon her. Somebody has to collect all fees.)

Georgia born Josie Nelson is dear to all at Armstrong because she is always joking and has a good word for everyone. She attended public schools in Georgia, and graduated from a business college.

She worked from 1941-48 as a cashier in the U.S. Justice Department. Then came to Armstrong as a bookkeeper in 1948. In 1951 the Business Office was turned over to her completely. Since, she came, students are hired to assist her rather than outsiders. She has been the one responsible for the request of the Student Placement Bill here at Armstrong. She says, "I like working at Armstrong!"

She has been married since 1938. The wedding took place at Wesley Oak Methodist Church at Thunderbolt.

At vacation time, she heads for the river for her favorite recreation -- fishing, swimming, and all water activities!

A person whom we are proud to say belongs at Armstrong, and who is so helpful to everyone, is Josie Nelson!

TWELFTH NIGHT NEXT MASQUER PRODUCTION

A fitting comedy, William Shakespeare's Twelfth Night has been chosen by Mr. Porter, Masquer director, for spring presentation. According to Mr. Porter, this play is as light, humorous and downright funny as the master of English literature, William Shakespeare could make it.

Tryouts for the play will be held after assembly on Wednesday, April 16, and again at 7:30 that Wednesday night. The cast calls for about fourteen acting parts, ten for men and four for women. If you are a bit bashful and you'd like to make a silent debut on the stage, you are more than welcome to see Mr. Porter about a part with no lines to learn, but which will give an opportunity to wear a costume. Faculty members are also urged to come out for parts.

Crew members and leaders are needed and anyone interested in this type of work is urged to see Mr. Porter. Stage settings for this production will be set up in a most interesting way.

The production will run from May 22 through May 24. Mr. Porter promises that much enjoyment will be derived by those participating in this production.

TO WHOM IT MAY CONCERN

The 1952 'Geechee staff has made its deadline. Foote & Davies of Atlanta has promised to ship the completed annuals the fourth week of May. Keep your fingers crossed!

EDITORIAL

Have you looked at the bulletin board recently? It might pay you to do so once in a while. Around Armstrong, the bulletin board is the center for information.

Among the important notices placed on the bulletin board are schedules for club meetings, book sale listings (cheap), assembly absences, intramural scores, and the like. Perhaps one of the most important notices that goes up is that of the need for ushers at various activities.

In the recent past it has been the custom to have a notice put up for students to sign up in Mrs. Seyle's office. Several times recently only about half of the necessary number of students have signed up.

We were just wondering if maybe the cause of the low quota was due to some people's unintentional mistake of failing to look at the bulletin board every few days.

Those who have been kind enough to let Armstrong students usher at their activities have been rather discouraged in their efforts to get Armstrong ushers.

So read the bulletin board, sign up to usher the next time some are needed, so that Armstrong students will not lose a unique privilege of attending many fine concerts and other entertainment features free of charge.

ATTENTION: SOPHOMORES

"All Sophomores are reminded to pay graduation fees as soon as possible in order that the diplomas can be ordered and engraved."

GEECHEES IN TOURNAMENTS

After being eliminated in the first round of the Georgia Junior College Basketball Tournament at Ashburn, the Geechees rebounded like a ball of Ted Williams Rat to win second place in the Southern Tech Invitational Tournament in Atlanta.

In the first tourney Armstrong led Abraham Baldwin into the third quarter, but were overcome by a last period rally which defeated Armstrong 64 to 57. Mahaney and Lanier scored 22 and 14 pts. in leading the effort to prevent the first round elimination.

In practicing for the final tourney, the team as a whole showed the confidence in itself which later proved to be a genuine and reasonable confidence. This is shown by two successive victories on two successive nights and the placing of four out of ten on the All-Tournament Team. Those who were selected as All-Tournament players Adams, Lee, Mahaney, and Lanier.

In the first game, Armstrong defeated Tocoa Falls by a score of 79-59. Carthron and Adams led Armstrong with 18 and 15 points in leading the initiation of the Geechee surge.

On the following night Armstrong followed through with a 48 to 44 win over Colombia Seminary. This time Lanier and Adams came to the forefront as the Geechee point collectors as they scored 18 and 11 points.

On the third successive night, the Geechees played the host team for the championship. Southern Tech won the game and the championship as they outscored Armstrong 61-46. Lanier and Adams led the futile attempt of the Geechees to gain the championship. Congratulations to the second place team Lee, Adams, Lanier, Oxley, Mahaney, Carthron, Keating, Gignilliat, Turner, McKenzie, Sharpe, Coach Bell, and Managers Neil Porter and Herbie Krapf.

GIRLS' INTRAMURALS

The Co-Eds are out in front in the softball league after one week of play. They took a five-inning game from the Slick Chicks by a score of 17 - 8 on Thursday, April 3. The only other game scheduled was between the Glamazon and Sassy Strutters; the Glamazon won this one by forfeit since the Sassies didn't show up.

The Co-Eds - Slick Chick game was very slow at first, but in the second inning things started happening and the excitement didn't let up until the last out was called. The game saw two home runs, one for each team. The first was by Charlotte McGalliard for the Co-Eds, and the second by Debra Clark for the Slick Chicks. Other "sluggers" were the Co-Eds' Betty Lord and the Slick Chicks' Barbara Gross.

The winning pitcher, Betty Lord, and the loser, Debra Clark, both kept up their smooth control throughout the game. The Co-Ed third baseman, Molly Barnhardt, played an excellent field game.

After the current softball tournament has been played out, the gals will enter the last intramural event of the year, swimming. Just getting under way is a tennis tournament; the individual clubs will hold their own play-offs and then the over-all matches will decide the champ.

CO-EDS DO IT AGAIN

Those of you who were around last year will recall that the Co-eds' spring holiday houseparty was the longest of the year, lasting seven days. Well, they've done it again this year. This time they stayed only five days but this is still the record of the year.

Have you noticed Miss Morris wearing dark glasses to school? Well, it isn't because she's trying to avoid the autograph hounds. No, the unfortunate one lost her "regulars" while chaperoning the Co-Eds. This was the only misfortune that occurred, and everybody, including Miss Morris, had a swell time in spite of it.

The gals who went down to Tybee on the spree were Barbara Lawing, Betty Lord, Mary Lou Byerly (she was protecting her interests - they stayed at her place), Kitty Browne, Sandra Hart, Charlotte McGalliard, Sue Cunningham, Margaret Madison, Molly Barnhardt, Gloria Remion, and Marjorie Hyers.
